IMPORTANT

In addition to monetary contributions, political action committees are required to report the receipt of any nonmoney ("in-kind") contributions. A political action committee receives an in-kind contribution whenever a person provides it with an item or service without charge or for a charge that is less than the fair market value of the item or service in question. The value of an in-kind contribution is the difference between the fair market value and the amount charged.

The law provides for a maximum penalty of \$1,000 per violation and/or imprisonment for not more than one year for any person who knowingly or willfully fails to comply with the provisions of Ark. Code Ann. § 7-6-201 through § 7-6-225. This report constitutes a public record. This form has been approved by the Arkansas Ethics Commission.
