Each Protected Series must have a unique identifier after the Series Limited Liability Company Name (ex. 1, 2, 3, A, B, C, Red, Blue, etc.).

b. The Protected Series may use a fictitious name to transact business in Arkansas if its real name is unavailable and it delivers to the Secretary of State for filing a copy of the resolution of its members, certified by its secretary, adopting a new fictitious name.

2. Enter the name of the affiliated Series Limited Liability Company.
3. Enter the state or country under whose laws the Protected Series was organized.

A Registered Agent must be a person or an entity that is registered with our office and in Good Standing. The Agent is designated to receive service of process on behalf of the Protected Series.

All Protected Series must have the same Registered Agent as the affiliated Series Limited Liability Company.

6. Enter the address of the principal place of business of the Protected Series. This address may be, but need not be, the same as the principal place of business of the Series Limited Liability Company.
